EXPERIENCE

Front-End Developer / Mentor

January 2022 - Present

SCALE Pathways

Seattle, WA

- Redesigned the front end for better usability by using React and the UI library Ant Design.
- Focused on mobile-first design to provide users with the same experience on multiple devices.
- Leveraged knowledge of Full-Stack web development and mentored senior design students.

Full-Stack Developer

December 2021 - Present

Mr. Sushi

Seattle, WA

- Developed an ordering system for tabletop kiosk and QR scan orders with invoice tracking.
- Increased restaurant workflow by 30% by letting customers order directly from their devices.
- Implemented a touch friendly experience by using mobile-first design to accommodate phones.
